# **GROW YOUR CAREER IN RURAL VICTORIA**

**There are several programs that support allied health providers working in private, public and community health services in rural Victoria. These programs give nursing and allied health professionals access to educational, professional and skill development opportunities to meet the needs of the community.**

## **WHO IS ELIGIBLE?**

- Grant funding is available for health professionals who work in:
  - Public, primary and community health services
  - Rural remote areas of Victoria (MMM 2-7)
    - Permanent or contract roles
  - Australian citizens and permanent residents

## **WHAT DO THE GRANTS COVER?**

- Relocation and Retention grants for candidates taking up roles in rural locations
- Continuing Professional Development (CPD) grants
  - Health Workforce Scholarship Program
- Bursaries and scholarships to support an increase in skills, capacity and scope of practice.
  - Funding is available for eligible professional development activities, as well as associated costs such as travel and accommodation.
- RWAV also offer grants that help you to pursue post-graduate studies.
